

EMERGENCY ACTION PLAN

Midlothian High School Athletic Complex

Facility Address: 201 Walter Stephenson Road, Midlothian Texas 76065

Emergency Response: Accessed by entering the drive off of Walter Stephenson Road. The baseball field is located on the east end of the complex, the fieldhouse is central, and the softball fields and tennis courts are on the west of the complex.

Designated Emergency Medical Responders:

Midlothian ISD Athletic Trainers and Coaches are trained medical first responders. *MHS Athletic Training Students have also been trained in the use of First Aid and CPR/AED and may assist as directed by emergency medical responders.

AED:

Located in a red box on the north outside wall of the fieldhouse near concessions

In the event of an Emergency Call 9-1-1

Gates, Shelters & Evacuation Routes:

Lightning, Hail, Heavy Winds- Shelter:

Restrooms located on the north side of the fieldhouse are on-campus shelters. Secondary shelters include concession stands, and ticket office. Teams, game officials and on site support staff will use the fieldhouse for shelter. If safe to access, patrons may seek shelter in their

vehicles for lightning or wind events. No one will be allowed to remain in the stands.

Shelter in Place Tornado- Shelter: The Fieldhouse is our on-site Shelter in Place Facility. For larger crowds, use J.R. Irvin Elementary as Secondary Shelter in place Facility. No one will be allowed to remain in the stands.

During an emergency follow the direction of MISD staff and emergency personnel. The facility is continuously monitored by MISD staff and will be evacuated as necessary. Report a medical emergency, disruptive or dangerous behavior immediately to MISD staff or law enforcement personnel.
