

HHS SPORTS MEDICINE COURSES

The purpose of the Sports Medicine course is to allow HHS students interested in the sports medicine health care professions to gain the introductory knowledge and concepts of the sports medicine and athletic training professions.

The sports medicine courses require an application and approval by the sports medicine instructors each year. You **MUST** apply to be considered eligible for the course.

Sports Medicine 1

Sports Medicine 1 is designed to provide students with the opportunity to study the knowledge and skills of sports medicine. Students in Sports Medicine 1 will acquire an introduction to the various health-related professions involved in Sports Medicine Careers. Sports Medicine 1 is for students interested in Medical Careers. (From TEA Course Description approved 2022-2023)

Sports Medicine 2

This course has a required prerequisite: Sports Medicine 1. Sports Medicine 2 acknowledges the student interest in sports-related medical fields of study. This course is designed to provide an advanced study and application of the components of sports medicine and is a continuation of the topics explored in Sports Medicine 1.

**BOTH SPORTS MEDICINE 1 AND SPORTS MEDICINE 2 HAVE
A REQUIRED APPLICATION BEFORE YOU WILL BE
APPROVED TO TAKE THE COURSE, NO EXCEPTIONS!**
