Events at HHS Gymnasium

Access to satellite athletic training room (treatment & taping tables, ice machine, water). We will provide coolers of ice water at each bench. AED is located in the nearby hallway next to the cafeteria.

Events at the Football/Soccer Field & Track

The athletic training room is located in the northwest corner of the fieldhouse. From there you can get access to treatment & taping tables, AED, ice machines, and water. There is easy water access at both the home and visitor 50 yard line. We will provide water either via water cow or coolers for all competitions hosted at HHS.

Events at Baseball/Softball Fields & Tennis Courts

There is easy water access in all dugouts for softball/baseball, and water coolers will be provided for games and matches. AED is located on the wall next to the concession stand.

If you need anything else during your time at HHS, please contact us and we will do whatever we can to assist!
